

**HS-T9060/1080/1260/1280/1680 型  
单双激光头激光切割/雕刻机**

HS-T9060/1080/1260/1280/1680 Single and Double-Head Laser Cutting/Engraving Machine

**产品说明**

Product Description

该系列是我公司面向绣花贴布等大批量加工行业用户而精心设计，配上双激光头以后的激光切割/雕刻机，使用两支激光管和激光头同时工作，加工效率提高一倍，切割效果均匀一致，不仅节约成本，而且大大提高了产量输出。

This model is specially designed for bulk production such as appliques cutting, leather and PU cutting and engraving for garment and shoes industries. Equipped with two laser tubes, this model of laser cutting and engraving machine can double the production output as well as ensuring fine quality.

采用国内品质保证的CO<sub>2</sub>激光器  
High quality domestic CO<sub>2</sub> Laser tube

零反射铁质工作底板  
No-reflection metal honeycomb work table

高效率双激光头设计  
Highly-efficient double-head design

专业制冷水箱  
Professional refrigeration water chiller

Product Description

该系列是我公司针对皮革、有机板材等加工行业用户而设计开发的，具有很强的专业性和针对性。该系列机器由我公司引进国外先进技术生产，采用台湾进口高精度直线导轨，切割速度快，雕刻精美，定位精确。

This model is professionally designed for organic glass (acrylic) processing industry. Beyond Laser adopts high producing technology on this machine, such as originally Taiwan imported precise guide and Italy imported belt, to ensure high working speed, fine cutting and engraving effect and precise locating.

高精度直线导轨  
High-precision straight linear guide

贴心设计，零反射工作底板  
No-reflection metal knife strip work table

可靠的散热冷却设计，专业制冷水机  
Professional refrigeration water chiller
