

APPLICATIONS:

- For sewing medium and heavy weight materials such as fabric, vinyl, synthetics, leather, etc.
- Suitable for sewing such products as suitcase, tents, luggage, leather clothes, sofa, leather products, etc.

FEATURES:

- Long stitch length 10mm
- Oil pump lubricating system assures full lubrication
- Large hook reduces the frequency of bobbin thread replacement
- Top and bottom feed avoid the slippage between the layers of material
- Stitch dial stopper keeps the same stitch length when sewing
- The presser foot lift bar is located on the front of the casting assures easy operation
- The vertical stroke of walking foot can be easily set and changed by a dial
