

APPLICATIONS:

- For sewing medium & heavy materials, such as fabric, leather, polythene, synthetics, etc.
- Suitable for sewing such products as suitcase, sofa, tents, cushion, leather products, etc.

FEATURES:

- Large needle bar stroke, high presser foot lifting height
- Rectangular feed
- The machine full-open-type top design makes adjusting works easier
- Built-in bobbin winder
- Centralized oil wick lubricating system
- Large automatic lubrication hook
- A knee-lifter mechanism is built in the bed--reduce the pressure required to operate the knee-lifter and facilitates setup
- The lifting amount of presser feet can be adjusted by a dial
